

My guilt and my shame

Fill in the gaps

Always sell me short, always feel	the same		
And my face and my soul			
Always (1) me thin, always under control			
But the longest hours you'll have	in your life		
Are the ones you sit, through to k	now if you're	e right	
So I'll wait, but I (2) (3	5)	I'm wrong	
Because I think I know what's goi	n' on		
So let me get this straight, the onl	y will is my	own	
I do what ever I want and stay ald	ne		
All my decisions make it untouchable and tainted			
I'm gonna suffer for the rest of my	life		
But I always find a way to survive			
I'm not a failure, but I know what i	ts like		
I can take it, or leave it or die!			
Stay			
You don't always know (4)	you	stand	
Till you know that you won't run a	way		
There's something inside me (5)_	f	eels	
Like breathing in sulfur			
My life is undone			
And I'm a sinner to most, but a sa	ge to some		
And my (6) are untrue			
I'm probably wrong, but I'm better than you			
And the (7) ho	urs I've had	in my life	
Were the ones I want through to know I was right			

I'm gonna laugh when I'm buried alive Stay You don't always know where you stand Till you know that you won't run away There's something inside me that feels Like breathing in sulfur Like breathing in sulfur Stay You don't always know (8)	So I'm safe but I'm a little outside
You don't always know where you stand Till you know that you won't run away There's something inside me that feels Like breathing in sulfur Like breathing in sulfur Stay You don't always know (8) you stand Till you know (9) you won't run away There's something inside me that feels Like breathing in sulfur Stay You don't always know where you stand Till you know that you won't run away There's something inside me that feels Like breathing in sulfur	I'm gonna laugh when I'm buried alive
