

Fill in the gaps

My guilt and my shame	So I'm (13) but I'm a little outside
Always sell me short, always feel the same	I'm gonna laugh when I'm buried alive
And my face and my soul	Stay
Always wear me thin, always (1) control	You don't (14) know where you stand
But the longest hours you'll have in your life	Till you know that you won't run away
Are the ones you sit, through to know if you're right	There's something (15) me that feels
So I'll wait, but I pray that I'm wrong	Like breathing in sulfur
Because I think I know what's goin' on	Like breathing in sulfur
So let me get (2) straight, the only will is my own	Like breathing in sulfur
I do what (3) I (4) and stay alone	Stay
All my decisions make it (5) and	You don't always (16) where you stand
tainted	Till you know that you won't run away
I'm gonna (6) for the rest of my life	There's (17) inside me that feels
But I always find a way to survive	Like (18) in sulfur
I'm not a failure, but I know (7) its like	Stay
I can take it, or leave it or die!	You don't always know (19) you stand
Stay	Till you know that you won't run away
You don't always know (8) you stand	There's (20) inside me that feels
Till you (9) that you won't run away	Like breathing in sulfur
There's something (10) me that feels	Like breathing in sulfur
Like breathing in sulfur	Like (21) in sulfur
My life is undone	Like breathing in sulfur
And I'm a (11) to most, but a sage to some	Like (22) in sulfur
And my gods are untrue	Like (23) in sulfur
I'm probably wrong, but I'm better than you	
And the longest hours I've had in my life	
Were the ones L (12) through to know L was right
