

Fill in the gaps

My guilt and my shame	So I'm safe but I'm a little outside
Always sell me short, always feel the same	I'm gonna laugh when I'm buried alive
And my face and my soul	Stay
Always wear me thin, always under control	You don't always (8) where you stand
But the longest hours you'll have in your life	Till you know that you won't run away
Are the ones you sit, through to know if you're right	There's (9) inside me that feels
So I'll wait, but I pray that I'm wrong	Like breathing in sulfur
Because I think I know what's goin' on	Like breathing in sulfur
So let me get this straight, the (1) is	Like breathing in sulfur
my own	Stay
I do what ever I want and stay alone	You don't always know where you stand
All my decisions make it untouchable and tainted	Till you know that you won't run away
I'm gonna (3) for the (4) of my life	There's something inside me that feels
But I always find a way to survive	Like breathing in sulfur
I'm not a failure, but I know what its like	Stay
I can take it, or leave it or die!	You don't always know where you stand
Stay	Till you know that you won't run away
You don't always know where you stand	There's something inside me that feels
Till you (5) that you won't run away	Like breathing in sulfur
There's something inside me (6) feels	Like breathing in sulfur
Like breathing in sulfur	Like breathing in sulfur
My life is undone	Like breathing in sulfur
And I'm a (7) to most, but a sage to some	Like breathing in sulfur
And my gods are untrue	Like breathing in sulfur
I'm probably wrong, but I'm better than you	
And the longest hours I've had in my life	
Were the ones I want through to know I was right
