Can't Hold Us Down by Christina Aguilera

featuring Lil' Kim	I don't understand why it's OK,
So- What am I not s'pposed to (1) an opinion	The guy (17) all the glory and the girl
Should I (2) quiet (3) because I'm a	(18) named
woman	All my ladies come together and make a change
Call me a bitch cause I speak what's on my mind	And start a new (19) for us, everybody
Guess it's easier for you to (4) if I sat and	sang
smiled	CHORUS-repeat
When a female fires (5)	Lil' Kim:
Suddenly big talker don't know how to act	Check it- Here's something I just can't understand
So he does what every little boy would do	If the guy have three girls then he's the man
Makin' up a few false rumors or two	He can either give us some head, sex her off
That for (6) is not a man to me, slanderin' names	If the girl can do the same, (20) she's a whore
for popularity	But the table's about to turn
It's sad you only get your fame through controversy	I'll bet my fame on it
But now it's time for me to come and give you more to say	Cats take my (21) and put their name on it
CHORUS	It's (22) though, you can't hold me down
This is for my girls all around the world	I got to keep on movin'
Who have (7) (8) a man who don't	To all my girls with a man who be tryin' to mack
respect your worth	Do it right back to him and let (23) be that
Thinkin' all women should be (9) not heard	You (24) to let him know (25) his name
So what do we do girls, shout out loud	is wack
Lattich lane (40)	And Lil' Kim and (26) Aguilera got
Lettin' 'em (10) we're gonna stand our ground	And Lil' Kim and (26) Aguilera got
So (11) we're gonna stand our ground So (11) you hands higher and wave 'em proud	your back
So (11) you hands higher and wave 'em proud	your back
So (11) you hands higher and wave 'em proud Take a deep (12) and say it loud	your back You're just a little boy
