

Fill in the gaps

Can't Hold Us Down by Christina Aguilera

featuring Lil' Kim	I don't understand why it's OK,
So- What am I not s'pposed to have an opinion	The guy gets all the glory and the girl gets named
Should I (1) quiet just (2) I'm a	All my ladies come together and (16) a change
woman	And start a new beginning for us, (17)
Call me a bitch cause I speak what's on my mind	sang
Guess it's easier for you to swallow if I sat and smiled	CHORUS-repeat
When a (3) back	Lil' Kim:
Suddenly big talker don't (5) how to act	Check it- Here's something I just can't understand
So he does (6) every (7) boy	If the guy have three girls then he's the man
(8) do	He can (18) give us some head, sex her off
Makin' up a few false rumors or two	If the (19) can do the same, then she's a whore
That for (9) is not a man to me, slanderin' names	But the table's about to turn
for popularity	I'll bet my fame on it
It's sad you only get your fame through controversy	Cats (20) my ideas and put (21)
But now it's time for me to come and (10) you	name on it
more to say	It's (22) though, you can't hold me down
CHORUS	I got to keep on movin'
This is for my (11) all around the world	To all my girls with a man who be tryin' to mack
Who have come across a man who don't respect your worth	Do it right (23) to him and let that be that
Thinkin' all women should be (12) not heard	You (24) to let him know that his name is wack
So what do we do girls, shout out loud	And Lil' Kim and Christina Aguilera got your back
Lettin' 'em know we're gonna stand our ground	You're (25) a little boy
So lift you hands higher and wave 'em proud	Think you're so cute, so coy
Take a deep breath and say it loud	You must (26) so big to make up for smaller things
Never can, never will	You're (27) a little boy
Can't hold us down	All you do is annoy
Nobody can hold us down.	You must talk so big to make up for smaller things
Never can never will.	CHORUS-repeat 2X
So- What am I not supposed to say (13) I'm saying	Can't (28) us down!
Are you offended with the message I'm bringin'	(repeat and fade out)
Call me (14) 'cause your words don't	
mean a thing	
Guess you ain't even a man enough to handle what I sing	
If you look back in history it's a (15) double	
standard of society	
The guy gets all the glory the more he can score	
While the girl can do the same and yet you call her a whore
