

Fill in the gaps

She seems dressed in all the rings	I won't let this build up (5) of me
Of (1) fatalities	I won't let this build up (6) of me
So fragile yet so devious	I won't let this build up inside of me
She continues to see	Yeah!
Climatic hands that press	I'm a slave and
Her (2) and my chest	I am a master
Enter the night that she came home (forever)	No restraints
(Oh) She's the only one that makes me sad	And unchecked collectors
She is everything and more	I exist to my need
The (3) hypnotic	To self-oblige
My dahlia, bathed in possession	She is something in me
She is home to me	That I despise
I get nervous, preversed	I won't let this (7) up inside of me
When I see her, it's worse	I won't let this build up inside of me
But the stress is astounding	I won't let this build up inside of me
It's now or never	I won't let this build up inside of me
She's coming home (forever)	I won't let this (8) up inside of me
(Oh) She's the only one who (4) me sad	I won't let (9) build up inside of me
Hard to say what caught my attention	I won't let this build up inside of me
Fixed and crazy	I won't let this build up (10) of me
Aphid attraction	She isn't real (she isn't real)
Carve my name in my face	I can't make her real (I can't make her real)
To recognize	She isn't real (she isn't real)
Such a pheromone cult	I can't make her real
To terrorize	
I won't let this build up inside of me
