## Fill in the gaps

(This (1) is called Wait and Bleed)		Makin' my mind up and takin' your breath away
I've felt the hate rise up in me		I've felt the (6) rise up in me
Kneel down and clear the stone of leave		Kneel down and clear the stone of leave
I wander out where you can't see		I wander out where you can't see
Inside my shell, I wait and bleed		Inside my shell, I (7) and bleed
I've felt the hate rise up in me		I've felt the hate rise up in me
Kneel down and clear the stone of leave		Kneel down and clear the stone of leave
I wander out where you can't see		I wander out where you can't see
Inside my shell, I wait and bleed		Inside my shell, I wait and bleed
Goodbye!		Goodbye!
I (2) it off on tile, the (3)	is brighter	You haven't learned a thing
this time		I haven't (8) a thing
Everything is 3D blasphemy		My flesh was in my bone
My eyes are red and gold		The pain was always free
The hair is standing straight up		You haven't learned a thing
This is not the way I pictured me		I haven't changed a thing
I can't control my shakes!		My (9) was in my bone
How the hell did I get here?		The pain was always free
Something about this, so (4) wrong		I've felt the hate rise up in me
I have to laugh out loud, I wish I didn't like this		Kneel down and clear the stone of leave
Is it a dream or a memory?		I wander out where you can't see
I've (5) the hate rise up in me		Inside my shell, I wait and bleed
Kneel down and clear the stone of leave		I've felt the hate rise up in me
I wander out where you can't see		Kneel down and clear the (10) of leav
Inside my shell, I wait and bleed		I wander out where you can't see
Get out of my head		Inside my shell, I wait and bleed
'Cause I don't need this!		And it waits for you!
Why I didn't I see this?
