

Fill in the gaps

(This song is called (1) and Bleed)	Makin' my (14) up and takin' your breath away
I've felt the (2) rise up in me	I've felt the hate rise up in me
Kneel down and clear the (3) of leave	Kneel down and clear the stone of leave
I wander out where you can't see	I wander out where you can't see
Inside my shell, I wait and bleed	Inside my shell, I (15) and bleed
I've felt the hate rise up in me	I've felt the hate rise up in me
Kneel (4) and (5) the stone of leave	Kneel (16) and clear the (17) of leave
I (6) out where you can't see	I wander out where you can't see
Inside my shell, I wait and bleed	Inside my shell, I wait and bleed
Goodbye!	Goodbye!
I wipe it off on tile, the light is brighter this time	You haven't learned a thing
Everything is 3D blasphemy	I haven't changed a thing
My (7) are red and gold	My flesh was in my bone
The hair is standing straight up	The pain was always free
This is not the way I (8) me	You haven't learned a thing
I can't control my shakes!	I haven't changed a thing
How the hell did I get here?	My flesh was in my bone
Something (9) this, so very wrong	The (18) was always free
I have to laugh out loud, I wish I didn't (10) this	I've (19) the (20) rise up in me
Is it a dream or a memory?	Kneel down and (21) the (22) of
I've felt the hate rise up in me	leave
Kneel down and (11) the stone of leave	I wander out (23) you can't see
I (12) out (13) you can't see	Inside my shell, I wait and bleed
Inside my shell, I wait and bleed	I've felt the hate rise up in me
Get out of my head	Kneel (24) and clear the stone of leave
'Cause I don't need this!	I wander out where you can't see
Why I didn't I see this?	Inside my shell, I wait and bleed
I'm a victim, Manchurian Candidate	And it waits for you!
I have sinned by just	

Fill in the gaps

- 1. Wait
- 2. hate
