

I Push my fingers into my

Eyes it's the only thing that slowly stops the ache But it's made of all the things I have to take

Jesus it never ends, to push it's way inside

If the pain goes on

I have screamed (1)_____ my veins collapsed

I waited as my time elapsed

Now all I do is live with so much fate

I've wished for this, I've bitched at that

I've left behind this little fact

You cannot kill what you did not create

I've gotta say what I've gotta say

And then I swear I'll go away

But I can't (2)_____ you'll enjoy the noise

I guess I'll save the best for last

My future seems (3)_____ one big past

You're left with me 'cause you left me no choice

I (4)_____ my fingers (5)____ my eyes

It's the only thing that slowly stops the ache

If the pains goes on

I'm not gonna make it

Put me back together

Or separate the skin from bone

Leave me all the pieces

Then you can leave me alone

Tell me the reality
