

## Fill in the gaps

I (1) my fingers (2) my	Is better than the dream
Eyes it's the only (3) (4) slowly stops	But I found out the (22) way
the ache	Nothing is what it seems
But it's made of all the things I (5) to take	I push my fingers into my eyes
Jesus it (6) ends, to push it's way inside	It's the only thing that slowly stops the ache
If the (7) goes on	But it's made of all the things I (23) to take
I have (8) until my (9)	Jesus it never ends, It works it's way inside
collapsed	If the pain goes on
I waited as my (10) elapsed	I'm not gonna make it
Now all I do is (11) with so much fate	All I've got
I've wished for this, I've bitched at that	All I've got is insane
I've left behind this little fact	All I've got
You (12) (13) what you did not	All I've got is insane
create	All I've got
I've gotta say what I've gotta say	All I've got is insane
And then I (14) I'll go away	All I've got
But I can't promise you'll enjoy the noise	All I've got is insane
I (15) I'll (16) the best for last	I push my fingers into my eyes
My (17) (18) (19)	It's the only (24) that slowly stops the ache
one big past	But it's made of all the things I have to take
You're left with me 'cause you left me no choice	Jesus it (25) ends, It works it's way inside
I push my fingers into my eyes	If the pain goes on
It's the only thing that (20) stops the ache	I'm not gonna make it
If the pains goes on	
I'm not gonna (21) it	
Put me back together	
Or separate the skin from bone	
Leave me all the pieces	
Then you can leave me alone	
Tell me the reality
