We'll Be Together by Sting

Fill in the gaps

I see me with you and all the things you do	I (18) you as my guide and my light
Keep turning round and round in my mind	My love is a flame
Forget the weather, we (1) always be together	That burns in your name
And any other (2) is unkind	We'll be together
To (3) you (4) me I would swim the	We'll be together tonight (together)
(5) seas	We'll be together (together)
I need you as my guide and my light	Together
My love is a flame that burns in your name	We'll be together (together)
We'll be together	We'll be together (together)
We'll be together tonight (together)	We'll be (19) tonight (together)
We'll be together (together)	We'll be together tonight (we'll be together)
We'll be together (together)	We'll be together tonight (together)
We'll be together (together)	We'll be together tonight (we'll be together)
I see you with me and all I (6) to be	We'll be together tonight (be together)
Is dancing (7) (8) you in my arms	We'll be together tonight (together)
Forget the weather, we (9) always be together	We'll be (20) tonight (together)
I'll (10) be a slave to your charms	We'll be (21) tonight (together)
To (11) you with me I would (12) the	If you need somebody (together)
(13) seas	We'll be together tonight (together)
I (14) you as my guide and my light	We'll be together tonight (together)
My love is a flame	We'll be together (22) (together)
That burns in your name	We'll be together tonight (together)
We'll be together	If you (23) keep something precious
We'll be together tonight (together)	We'll be (24) tonight (together)
We'll be together (together)	We'll be together tonight (together)
We'll be together (together)	We'll be together tonight (we'll be together)
We'll be together (together)	We'll be together tonight (together)
Call me baby	Love somebody, let's get together
You can (15) me anything you want	To love somebody, let's get together
Call me baby	And to love somebody, let's get together
Call me	
Call me	
I see you with me and baby makes three	
I see me (16) you and all the things you do	
Forget the weather we (17) always be	
together
