

Fill in the gaps

Never thought that I would (1) so old of seeing the	Take me back
gold	Give it, up (9) it up to me
Still I never (2) it to go	'Cause I can't go on
I would hold it up to my cold heart	If your love isn't strong
Feel the way it used to start up	See I want it all
Take me back, t-t-take me back	Give me, give me all your love
To the way that I was before	If you can't (10) on
Hungry for what was to come	Then baby, baby
Now I'm longing for the way I was	Don't save me now, no (if your love isn't strong)
You say you will, say you will save me	Baby, don't save me now (don't save me now)
You say you will, say you will save me	No, no
You say you will, say you will save me	And if I had to beg for your love (again, again, again)
You say you will, say you will (ah, oh)	Tell me, tell me
Take me back	Would it ever be enough (again, again, again)
Give it up, give it up to me	T-t-tell me
'Cause I cant go on	And if I had to beg for your love (again, again, again)
If your love isn't strong	Tell me, tell me
See I want it all	Would it ever be enough (again, again, again)
Give me, give me all your love	So baby, don't save me
But if you can't (3) on	No Baby, don't save me
Then baby, baby	Baby, don't save me now (again, again, again)
Don't save me now, no (if your (4) isn't strong)	No, no (if your love isn't strong)
Baby, don't save me now, no, no	Baby, don't save me now (again, again, again)
All my (5) I wasn't trying to get on a high way	No, no (if your love isn't strong)
I was wondering which way to go	Baby, don't save me now (again, again, again)
Spending all of my damn time	No, no (if your love isn't strong)
Leaving all the weight behind, yeah	Baby, don't save me now (again, again, again)
Take me back	No, no, no (if your love isn't strong)
T-t-take me back to the song how'd it (6) to go, oh	Don't save me (again and again)
Screaming for what was to come	(Again and again and again)
Now I'm dreaming about the way I was	Don't save me (again and again)
You say you will, say you will save me	(Again and again and again)
You say you will, say you (7) (8) me	
You say you will, say you will save me	
You say you will, say you will (ah, oh)
