A (1) mother (2) out of the	Leaving a trace of not on God given ray
window	Is it because my life is ten shades of grey
Staring at a son that she just can't touch	I pray all ten (14) away
If at any time he's in a jam, she'll be by his side	Seldom praise Him for the sunny days
But he doesn't realize he hurts her so much	And like His promise is true, only my faith can undo
But all the (3) just ain't helping at all	The many chances I blew to bring my life to anew
Cause he can't seem to (4) himself out of trouble	Clear (15) and unconditional skies
So, he goes out and he makes his money	Have dried the tears (16) my eyes, no
The best way he knows how	(17) lonely cries
Another body laying cold in the gutter, listen to me	My only (18) hope is for the folk who
Don't go chasing waterfalls	can't cope
Please stick to the (5) and the lakes that you	With such an enduring pain
used to	That it (19) them in the pouring rain
I (6) that you're (7) have it your way	Who's to blame for tooting caine in your own vein
or nothing at all	What a shame, you shoot and aim for someone else's brain
But I think you're moving too fast	You claim the insane
Little precious has a (8) obsession	And name this day in time for (20)
For temptation, but he just can't see	(21) to crime
She gives him (9) that his body can't handle	I say the system got you (22) to your own
But all he can say is, baby, it's (10) to me	mind
One day he goes and (11) a glimpse in the	Dreams are hopeless aspirations in hopes of
mirror	(23) true
But he doesn't recognize his own face	Believe in yourself
His health is (12) and he doesn't know why	The rest is up (to me and you)
Three letters took him to his final resting place	Don't go chasing waterfalls
You all don't hear me	Please (24) to the (25) and the
Don't go (13) waterfalls	lakes (26) you used to
Please stick to the rivers and the lakes that you used to	I know that you're gonna have it your way or nothing at all
I know that you're gonna have it your way or nothing at all	But I think you're moving too fast
But I think you're moving too fast	Oh, you're moving too fast
Come on	Don't go (27) waterfalls
I've seen a rainbow yesterday	Please stick to the rivers and the lakes that you
But too many storms have come and gone	(28) to
	I know that you're gonna have it your way or nothing at all
