#### Waiting For The Night by Nelly Furtado

Baby I know you're outside	We're running out of time, so baby hold me
In here it's warm and dry	Days go by
Got feelings that I've got to try expressing like	Day and night, day and night (day and night)
A language that I share with you	You blow my mind, blow my mind (you blow my mind)
Let's talk in the special way we do	And I can't help, help (4) at all
Don't wanna be anywhere else but here with you	I can't help myself at all
Feels so good	Day and night, day and (5) (day and night)
Day and night, day and night	You blow my mind, blow my mind (blow my mind)
You blow my mind, blow my mind	And I can't help, help (6) from falling
And I can't help, help myself at all	So I'm waiting for the night
I can't hold back	I'm waiting, I'm waiting
Day and night, day and night	I'm waiting, I'm waiting
You (1) my mind, blow my mind	I'm waiting, I'm waiting
And I can't help, help myself from falling	So I'm waiting for the night
So I'm waiting for the night	I'm waiting, I'm waiting
Baby I know it's late	I'm waiting, I'm waiting
We've got decisions to make	I'm waiting, I'm waiting
Think of what we could create together, with you	So I'm waiting for the night
I am never afraid	And I really wanna see you
To play (2) the highest stakes	I really (7) see you tonight
Nobody could break my rapture	And I really wanna see you now
Day and night, day and night	I (8) wanna see you tonight
You blow my mind, blow my mind (blow my mind)	Don't keep me waiting, waiting
And I can't help, help myself at all	Don't keep me (9) for the night
I can't (3) back	(Don't keep me waiting waiting waiting for the night)
Day and night, day and night	Don't keep me waiting, waiting
You blow my mind, blow my mind (yeah, yeah)	Don't keep me waiting for the night
And I can't help, help myself from falling	(Don't keep me waiting waiting)
So I'm waiting for the night	Waiting for the night
I can't control it in the night, night, night	Waiting for the night
It's when I've got you on my mind, mind, mind	Waiting for the night
'Cause you're the twinkle in my eye, eye, eye	Waiting for the night
I've got to get you in my life, life, life	Waiting for the night
Can't think of nothing worse than being lonely
