Can't Fight The Moonlight by LeAnn Rimes

Under a lovers' sky
Gonna be with you
And no one's gonna be around
If you think that you won't fall
Well, just wait until
Till the sun goes down
Underneath the starlight, starlight
There's a magical feeling so right
It'll (1)_____ your heart tonight
You can try to resist
Try to hide (2)_____ my kiss
But you know, but you know that you
Can't fight the moonlight, (3)_____ in the dark
You'll (4)_____ your heart
But you know, but you know (5)_____ you
Can't fight the moonlight, no
You can't fight it
It's gonna get to (6)_____ heart
There's no escape from love
Once a gentle breeze
Weaves its spell (7)_____ (8)_____ heart
No (9)_____ (10)_____ you think
It won't be too long
Till you're in my arms
Underneath the starlight, starlight
We'll be lost in the rhythm so right
Feel it (11)_____ your (12)_____ tonight
You can try to resist
Try to hide from my kiss
But you know, but you (13)_____ that you
Can't fight the moonlight, (14)_____ in the dark

You'll surrender (15)_____ heart
But you know, but you know that you
Can't fight the moonlight, no
You can't fight it
No matter what you do
The night is gonna get to you
Don't try, you're never gonna win
Underneath the starlight, starlight
There's a (16)_____ feeling so right
It will steal your heart tonight
You can try to resist
Try to (17)_____ from my kiss
But you know, but you know that you
Can't fight the moonlight, deep in the dark
You'll (18)_____ your heart
But you know, but you know that you
Can't fight the moonlight, no
You can't fight it
You can try to resist
Try to hide (19)_____ my kiss
But you know
Don't you know that you can't
Can't fight the moonlight, deep in the dark
You'll (20)_____ your heart
But you know, but you know that you
Can't (21)_____ the moonlight, no
You can't fight it
It's gonna get to (22)_____ heart
