Don't Look Back In Anger by Oasis

Slip inside the eye of your mind	Step outside 'cause summertime's in bloom
Don't you (1) you might find	Stand up beside the fireplace
A (2) to play	Take that look from off (16) face
You (4) (5) you'd never been	'Cause you ain't (17) (18)
But all the (6) that you've seen	(19) my heart out
Will slowly (7) away	And so Sally can wait
So I start a (8) from my bed	She knows it's too late as she's (20) on by
'Cause you said the brains I had went to my head	My soul slides away
Step outside, summertime's in bloom	But don't (21) back in anger
Stand up beside the fireplace	I heard you say
Take that (9) from off your face	So (22) can wait
You ain't ever gonna burn my heart out	She knows it's too (23) as we're
And so (10) can wait	(24) on by
She knows it's too late as we're walking on by	Her (25) (26) away
Her soul slides away	But don't look back in anger
But don't (11) back in anger	I (27) you say
I heard you say	So (28) can wait
Take me to the (12) you go	She knows it's too late as she's walking on by
Where nobody knows if it's night or day	My soul slides away
Please don't put your life in the hands	But don't look back in anger
Of a rock'n'roll band who'll throw it all away	Don't look back in anger
I'm gonna start the revolution (14) my bed	I (29) you say
'Cause you said the (15) I had went to my	At (30) not today
head
