Say My Name by Destiny's Child

Say My Name by Destiny's Child
Say my name, say my name
If no one is around you
Say baby I love you if you ain't running game
Say my name, say my name
You acting kind of shady
Ain't calling me baby, why the sudden change
Say my name, say my name
If no one is around you
Say baby I love you if you ain't running game
Say my name, say my name
You acting kind of shady
Ain't calling me baby
Better say my name
Any other day I (1) call, you would say
Baby how's your day but today, it ain't the same
Every other word is (uh huh), yeah, ok
Could it be that you
Are at the crib with another lady
If you took it there first of all, let me say
I am not the one to sit around, and be played
So prove yourself to me, I'm the (2) that you claim
Why don't you say the things that you (3) to me yesterday
I know you say that I am assuming things
Something's going down that's the way it seems
Shouldn't be the reason why you're acting strange
If nobody's holding you back from me
'Cause I know how you used toy do
When you say everything to me times two
Why can't you just tell the truth

If somebody's there then tell me who

Say my name, say my name

If no one is around you

Say baby I love you if you ain't running game

Say my name, say my name

You acting kind of shady

Ain't calling me baby, why the sudden change

Say my name, say my name

If no one is around you

Say baby I love you if you ain't running game

Say my name, say my name

You acting kind of shady

Ain't calling me baby

Better say my name

What is up with this, tell the truth, who you with

How would you like it if I came over with my clique

Don't try to change it now

See you gotta bounce

When two seconds ago said you just got in the house

It's hard to believe that you are at home, by yourself

When I just heard the voice

Heard the voice of someone else

Just this question why do you feel, you gotta lie

Getting caught up in your game

When you can not say my name

I know you say (4)_____ I am assuming things

Something's going down that's the way it seems

Shouldn't be the reason why you're acting strange

If nobody's holding you back from me

'Cause I know how you used to do

When you say everything to me times two
