If it weren't for your maturity	And you've washed your (7) (8) of
None of (1) would have happened	this
If you weren't so wise beyond your years	What part of our history's re-invented and (9)
I would've been able to control myself	rug swept

But you don't seem to mind, and	We (12) this to ourselves
Don't go telling everybody, and	And not tell any members of our inner posse
And over-look (3) supposed crime	I wish I could tell the world

And no one knows except the both of us	When you're (14) up properly
And I have honored your request for silence	I might wanna marry you one day
And you've washed your hands clean of this	If you'd watch that (15) and you keep your
You're essentially an employee	firm body
And I like you having to depend on me	This (16) be messy
You're a kind of protégé and one day you'll say	I don't seem to mind
You learned all you (4) from me, and	Don't go telling everybody, and
And I know you depend on me	Over-look (17) supposed crime
Like a young thing (5) to a guardian	We'll (18) (19) to a few years
I know you sexualize me	later, and
Like a young thing would and I think I like it	No one knows except the (20) of us
This could get messy, but	And I have honored your request for silence
You don't seem to mind	And you've washed your hands clean of this
Dude, don't go telling everybody, and	This (21) get messy, but
Over-look this supposed crime	I don't seem to mind
We'll fast forward to a few years later, and	Don't go (22) everybody, and

And you've washed your hands clean of this
