

Fill in the gaps

Blonde hair blowin in the summer wind	I'm not gonna let you runaway
A blue-eyed (1) playing in the sand	I knew that when I held you
I'd been on a (2) for a little while	I wasn't lettin' go
But that was the night	We (13) to (14) at the stars and confess
That she (3) (4) and held my hand	our dreams
The teenage rush, she said	Hold each other to the morning light
Here we are just runaway, we got time	We (15) to laugh, now we only fight
Well that aint much	Baby are you lonesome now?
We (5) wait til tomorrow	At (16) I (17) home after they go to
You gotta know (6) (7) is real	sleep
Baby, why you wanna fight it?	Like a stumbling ghost, I haunt these halls
Its the one (8) you can choose (oh)	There's a picture of us on our wedding day
We got engaged on a Friday night	I recognize the girl but I can't settle in (18) walls
I swore on the head of our unborn child	We can't (19) til tomorrow
That I could take care of the (9) of us	No we're (20) up in the appeal baby
But I got the tendency to slip	Why you wanna hide it?
When the nights get wild	It's the last thing on my mind
It's in my blood	(Why you wanna hide it?)
She (10) she (11) (12)	_ I turn the engine over and my body just comes
runaway somewhere else	Alive and we all (21) runaway
Some place good	I knew (22) when I met you
We can't wait til tomorrow	I'm not gonna let you runaway
You gotta know that this is real baby	l knew (23) (24) l (25) you
Why you wanna fight it?	I wasn't lettin' go (oh oh oh)
It's the one thing you can choose	(And (26) all just runaways)
Let's take a chance baby we can't lose	Yeah, runaway (and were all just runaways)
Ain't we all just runaways	Yeah
I knew that when I met you
