

Runaways by The Killers

Blonde hair (1)_____ in the (2)_____ wind	I'm not gonna let you runaway
A blue-eyed girl (3)_____ in the sand	I knew that when I held you
I'd been on a trail for a little while	I wasn't lettin' go
But that was the night	We used to look at the stars and confess our dreams
That she broke (4)_____ and held my hand	Hold each other to the morning light
The teenage rush, she said	We used to laugh, now we only fight
Here we are just runaway, we got time	Baby are you lonesome now?
Well that aint much...	At night I come home after they go to sleep
We cant wait til tomorrow	Like a stumbling ghost, I haunt these halls
You gotta know that this is real	There's a picture of us on our wedding day
Baby, why you wanna fight it?	I recognize the girl but I can't settle in these walls
Its the one thing you can choose (oh)	We can't wait til tomorrow
We got engaged on a Friday night	No we're caught up in the appeal baby
I (5)_____ on the head of our unborn child	Why you wanna hide it?
That I could take care of the three of us	It's the (9)_____ thing on my mind
But I got the tendency to slip	(Why you wanna hide it?)
When the nights get wild	I turn the engine over and my body just comes
It's in my blood	Alive and we all just runaway
She (6)_____ she might (7)_____ runaway	I knew that when I met you
somewhere else	I'm not gonna let you runaway
Some place good	I knew that when I held you
We can't wait til tomorrow	I wasn't lettin' go (oh oh oh...)
You gotta know that this is real baby	(And were all just runaways)
Why you wanna fight it?	Yeah, runaway (and were all just runaways)
It's the one thing you can choose	Yeah
Let's take a chance baby we can't lose	
Ain't we all just runaways	
I knew (8)_____ when I met you	

Fill in the gaps

Answer
