

Fill in the gaps

I never thought that I'd fall in love, love, love, love	Now looking back I wish I could rewind
But it (1) from a simple crush, crush, crush, crush	Because I can't sleep till you're (6) to me
Being without you girl, I was all messed up, up, up, up	No I can't live without you no more (without you no more)
When you walked out	Oh I stay up till you're next to me (to me)
Said that you'd had enough-nough	Till (7) house feels (8) it did before
Been a fool, girl I know	Because it feels like insomnia (ah ah)
Didn't expect this is how things would go	Feels like insomnia (ah ah)
Maybe in time, you'll change your mind	Feels like insomnia (ah ah)
Now (2) back I wish I could rewind	Feels like insomnia (ah ah)
Because I can't sleep till you're next to me	Ah, I just can't go to sleep
No I can't live without you no more	'Cause it feels like I've fallen for you
I stay up till you're next to me	It's getting way too deep
Till this house feels like it did before	And I know that it's love because
Feels (3) insomnia (ah ah)	I can't sleep till you're next to me
Feels like insomnia (ah ah)	No I can't live without you no more (without you no more)
Feels like insomnia (ah ah)	I stay up till you're next to me (to me)
Feels like insomnia (ah ah)	Till this house feels like it did before
Remember telling my boys	Feels like insomnia (ah ah)
That I'd never fall in love, love, love, love	Feels like insomnia (ah ah)
You used to think	Feels (9) insomnia (ah ah)
I'd never (4) a girl I could trust, trust, trust, trust	Feels like (10) (ah ah ah)
And then you walked into my life	Feels like insomnia (ah ah)
And it was all about us, us, us, us	Feels like insomnia (ah ah)
But now I'm sitting here	Feels like insomnia (ah ah)
Thinking I (5) the whole thing up, up, up, up	Feels like insomnia (ah ah)
Been a fool, girl I know (know)	
Didn't expect this is how things would go	
Maybe in time, you'll change your mind (mind)	

- 1. grew
- 2. looking
