

## Fill in the gaps

(1) thought that I'd fall in love, love, love, love	Now looking back I wish I (7) rewind
But it grew (2) a simple crush, crush, crush, crush	Because I can't sleep till you're next to me
Being without you girl, I was all messed up, up, up, up	No I can't live without you no more (without you no more)
When you walked out	Oh I stay up till you're next to me (to me)
Said that you'd had enough-nough-nough	Till this house feels like it did before
Been a fool, girl I know	Because it feels like insomnia (ah ah)
Didn't expect this is how things would go	Feels (8) insomnia (ah ah)
Maybe in time, you'll change your mind	Feels like insomnia (ah ah)
Now looking back I wish I could rewind	Feels like (9) (ah ah)
Because I can't sleep till you're next to me	Ah, I just can't go to sleep
No I can't live without you no more	'Cause it feels like I've fallen for you
I stay up till you're next to me	It's getting way too deep
Till this house feels like it did before	And I know that it's love because
Feels like insomnia (ah ah)	I can't sleep till you're next to me
Feels like insomnia (ah ah)	No I can't live without you no more (without you no more)
Feels like insomnia (ah ah)	I stay up till you're next to me (to me)
Feels like insomnia (ah ah)	Till this house feels like it did before
Remember (3) my boys	Feels like insomnia (ah ah)
That I'd never fall in love, love, love, love	Feels like insomnia (ah ah)
You used to think	Feels like insomnia (ah ah)
I'd never find a girl I could trust, trust, trust, trust	Feels like insomnia (ah ah ah)
And then you (4) into my life	Feels (10) insomnia (ah ah)
And it was all about us, us, us	Feels like insomnia (ah ah)
But now I'm sitting here	Feels like insomnia (ah ah)
Thinking I messed the (5) thing up, up, up, up	Feels like insomnia (ah ah)
Been a fool, girl I know (know)	
Didn't expect this is how things (6) go	
Maybe in time, you'll change your mind (mind)
