## SUB inglés

I ought to say no, no, no

## Fill in the gaps

## Baby, It's Cold Outside by She & Him

really can't stay	Mind if I move a little closer
Baby it's (1) outside	At least I'm gonna say that I tried
've got to go away	What's the sense in hurting my pride
Baby it's cold outside	I really can't stay
This evening has been	Baby don't hold out
Hoping that you'd drop in	(Ah) but it's cold outside
So very nice	I've got to go home
'll hold your hands, they're just like ice	Oh, baby, you'll freeze out there
My mother (2) start to worry	Say, (6) me your comb
Beautiful, what's your hurry	It's up to your knees out there
My father (3) be pacing the floor	You've really been grand
Listen to the fireplace roar	I'm thrilled when you (7) my hand
So (4) I'd better scurry	Why don't you see?
Beautiful, please don't hurry	How can you do (8) thing to me
Maybe just a half a drink more	There's bound to be talk tomorrow
Put some records on while I pour	Think of my lifelong sorrow
The neighbors might think	At least there will be plenty implied
Baby, it's bad out there	If you caught pneumonia and died
Say, what's in this drink	I really can't stay
No (5) to be had out there	Get (9) that hold out
wish I knew how	(Ah) but it's (10) outside
Your eyes are like starlight now	Oh baby it's cold outside
To break this spell	Oh baby it's cold outside
'll take your hat, your hair looks swell	

- 1. cold
