Baby, It's Cold Outside by She & Him

I really can't stay	Mind if I (15) a little closer
Baby it's (1) outside	At least I'm gonna say (16) I tried
I've got to go away	What's the sense in hurting my pride
Baby it's cold outside	I really can't stay
This evening has been	Baby don't hold out
Hoping (2) you'd drop in	(Ah) but it's (17) outside
So very nice	I've got to go home
I'll hold (3) hands, they're just like ice	Oh, baby, you'll freeze out there
My mother will start to worry	Say, (18) me (19) comb
Beautiful, what's (4) hurry	It's up to your knees out there
My (5) be pacing the floor	You've (20) been grand
Listen to the fireplace roar	I'm (21) when you touch my hand
So really I'd (7) scurry	Why don't you see?
Beautiful, (8) don't hurry	How can you do this thing to me
Maybe just a half a drink more	There's bound to be talk tomorrow
Put (9) on while I pour	Think of my lifelong sorrow
The neighbors might think	At least there will be plenty implied
Baby, it's bad out there	If you caught pneumonia and died
Say, what's in this drink	I (22) can't stay
No cabs to be had out there	Get over that (23) out
I wish I (11) how	(Ah) but it's cold outside
Your (12) are (13)	Oh (24) it's (25) outside
(14) now	Oh baby it's cold outside
To break this spell	
I'll take your hat, your hair looks swell	
I ought to say no, no, no
