And we gotta, gotta get away
I gotta patch of open road
I already (3)_____ you with all of my soul
So (4)_____ we both get old
I think we gotta, (5)_____ get away
I keep wishing for all the tickets
Stack 'em on my wall
Let's rip them down
And leave the town (6)_____ the (7)_____ can
call
And bring us back
Cover our tracks in the dust
I think we must
Take on the world
Let's go crazy
Love will tell us where to go
I'll be your girl, be my baby
Love will tell us (8)_____ to go
(Oh oh oh) through a dark night
(Oh oh oh) without a sunrise
(Oh oh oh) and we will be alright
Love will (9)_____ us where to go
Love will (10)_____ us where to go
Love (11)_____ tell us (12)_____ to go
The wheels on this train keep turning
We're (13)_____ with the birds and
The (14)_____ so bright it hurts when
We're on the getaway
I'm the (15)_____ to your Clyde
You're the mood and I'm the tide, I
I want (16)_____ for all of my life
Since the night that we got away
I keep wishing for all the tickets
Stack 'em on my wall
Let's rip them down
And (17)_____ the town before the cops can call

And (18)_____ us back
Cover our tracks in the dust
I think we must
Take on the world
Let's go crazy
Love will tell us (19)_____ to go
I'll be your girl, be my baby
Love will tell us (20)_____ to go
(Oh oh oh) through a dark night
(Oh oh oh) without a sunrise
(Oh oh oh) and we (21)_____ be alright
Love will tell us where to go
Love will (22)_____ us where to go
Love will tell us where to go
When things get rough
When we have loved
We've got enough to (23)_____ us where to go
When we get lost
When love is all (oh) (24)_____ we got
To tell us where to go
Then we're alright
We'll be alright
Tell us where to go
Then we're alright
We'll be alright
Love will tell us (25)_____ to go
Take on the world, let's go crazy
Love will tell us where to go
I'll be your girl, be my baby
Love (26)_____ tell us where to go
(Oh oh oh) (27)_____ a dark night
