

## Fill in the gaps

## Like A Star by Corinne Bailey Rae

Just like a star (1) my sky		
Just (2) an angel off the page		I (14) come to understand
You (3) appeared to my life		The way it is
Feel like I'll never be the same		It's not a secret anymore
Just like a song in my heart		'Cause we've been (15) (16)
Just like oil on my hands		before
Honor to love you		From tonight I know that you're the only one
Still I wonder why it is		I've been confused and in the dark
I don't (4)	(5) this	Now I understand
With (6)	but you	I wonder why it is
We do it all the time		I don't argue like this
Blowing out my mind		With anyone but you
You've got this look I can't describe		I wonder why it is
You make me feel like I'm alive		I won't let my (17) down
When (7)	(8) is a fade	For anyone but you
Without a doubt you're on my side		We do it all the time
Heaven has been away too long		Blowing out my mind
Can't (9) the words to write (10) song		Just like a star across my sky
(Oh) Your love		Just like an angel off the page
Still I wonder why it is		You have appeared to my life
I don't (11)	(12) this	Feel like I'll (18) be the same
With (13)	_ but you	Just (19) a song in my heart
We do it all the time		Just like oil on my hands
Blowing out my mind
