miss (1) blue eyes	What I should (7) said
How you kiss me at night	No, I never told you
miss the way we sleep	I just (8) it in
Like there's no sunrise	And now
Like the taste of your smile	I (9) everything about you
(2) the way we breathe	I can't believe that I still want you
But I never told you	And after all the things we've been through
What I (3) have said	I miss everything about you
No, I never told you	Without you
just held it in	(Oh no, no)
And now	But I never told you
miss everything about you	What I should have said
can't believe that I still want you	No, I never told you
And after all the things we've been through	I just held it in
miss everything (4) you	And now
Without you	I miss everything about you
see your (5) eyes	I can't believe that I still want you
Everytime I close mine	And after all the things we've been through
You make it hard to see	I miss everything about you
Where I belong to	Without you
When I'm not around you	
t's like I'm alone with me	
But I (6) told you
