

Happy New Year Happy New Year

Fill in the gaps

No more champagne			May we all have a vision now and then
And the fireworks are through			Of a world where (5) neighbour is a friend
Here we are, me and you			Happy New Year
Feeling lost and feeling blue			Happy New Year
It's the end of the party			May we all have our hopes, our will to try
And the morning (1) so grey			If we don't we might as well lay (6) and die
So unlike yesterday			You and I
Now's the time for us to say			Seems to me now
Happy New Year			That the dreams we had before
Happy New Year			Are all dead, (7) more
May we all have a vision now and then			Than confetti on the floor
Of a (2)	where (3)	neighbour is a	It's the end of a decade
friend			In another ten years' time
Happy New Year			Who can say what we'll find
Happy New Year			What lies waiting down the line
May we all (4) our hopes, our will to try			In the end of eighty-nine
If we don't we might as well lay down and die			Happy New Year
You and I			Happy New Year
Sometimes I see			May we all have a vision now and then
How the brave new world arrives			Of a (8) where every neighbour is a friend
And I see how it thrives			Happy New Year
In the ashes of our lives			Happy New Year
(Oh yes) man is a fool			May we all (9) our hopes, our will to try
And he thinks he'll be okay			If we don't we might as well lay down and die
Dragging on, feet of clay			You and I
Never knowing he's astray			
Keeps on going anyway
