

## Fill in the gaps

(This one, (1) o	one, this one)	A god is riding
Did I ever		Upon his back
Take you in my arms		How (4) the water
Look you in the eye		And bright the rainbow
Tell you that I do		Fade this one to black
Did I ever		What opportunities did we allow to flow by
Open up my heart		Feeling like the timing wasn't quite right
And let you look inside		What (5) of magic might
If I never did it		Have worked if we had stayed calm
I was only waiting		Couldn't I have given you a (6) life
For a better moment		Did you ever
That didn't come		Take you in your arm
There never could be		Look me in the eye
A better moment		And tell me that you do
Than this one, this one		Did I ever
The swan is gliding		Open up my heart
Above the ocean		Let you look inside
A god is riding		If I never did it
Upon his back		I was (7) waiting
How (2) the wa	ter	For a better moment
And bright the rainbow		That didn't come
Fade this one to black		There never could be
Did I ever		A (8) moment
Touch you on the cheek		Than this one, this one
Say that you were mine		The swan is gliding
Thank you for the smile		Above the ocean
Did I ever		A god is riding
Knock upon (3)	door	Upon his back
And try to get inside		How calm the water
If I never did it		And bright the rainbow
I was only waiting		Fade this one to black
For a better moment		The swan is gliding
That didn't come		A god is riding
There never could be		Calm the water
A better moment		Bright the rainbow
Than this one, this one		
The swan is gliding		
Above the ocean
