Take (1) to realize	That we'd be perfect for each other
That (2) warmth is	And we'll (14) (15) another
Crashing down on me	Just realize
Take time to realize	What I just realized
That I am on (3) side	We'd never have to wonder
Well didn't I, didn't I (4) you	If we missed out on each other, but
But I can't (5) it out for you	It's not the same
No it's (6) be that simple	No it's never the same
No I can't spell it out for you	If you don't feel it too
If you just realize	If you meet me (16) way
What I just realized	If you (17) (18) me (19)
That we'd be perfect for each other	way
And we'll (8) (9) another	It (20) be the same for you
Just realize	If you just realize
What I just realized	What I just realized
We'd (10) have to wonder	That we'd be (21) for (22) other
If we missed out on (11) other, now	And we'll never find another
Take (12) to realize	Just realize
(Oh oh) I'm on your side	What I just realized
Didn't I, didn't I tell you	We'd (23) have to wonder
Take time to realize	Just realize
This all can pass you by	What I just realized
Didn't I tell you	If you just realize
But I can't spell it out for you	What I just realized
No, it's (13) gonna be that simple	Missed out on (24) other now
No, I can't spell it out for you	Missed out on each (25) now (owa, owa ohh)
If you just realize	Realize, Realize, Realize
