Tranquilize by The Killers & Lou Reed

Time it tells living in my (1) town	Acid rain, when (10) looked up at Cain
Wedding bells, they begin easy	We (11) the weeping and wailing
Live it down, baby don't talk that much	A hurried high (12) pestilence (13)
Baby knows, but baby don't tease me	and pride
In the park we could go walking	It's a shame, we could (14) gone sailing
Drowned in the dark	But heaven knows
Or we could go sailing on the sea	Heaven knows everything
Always here, (2) on time	Tranquilize
Close call, was it love or was it just easy?	I got this feeling that they're (15)
Money talks when people need (3) and socks	(16) down the door
Steady boys, I'm (4) she needs me	I got this feeling that they're gonna come back for more
I was just sipping on something sweet	See I was thinking (17) I lost my mind
I don't need political process	But it's (18) getting to me all this time
I got this feeling (5) they're gonna break down the	And it don't stop (19) me down
door	Silently reflection turns my world to stone
I got this feeling (6) they're gonna come back for	Patiently correction (20) us all alone
more	And sometimes I'm a (21) man
See I was (7) that I lost my mind	But tonight this engine's failing
But it's been getting to me all this time	I still hear the children playing
And it don"t stop dragging me down	Dead beat dancers, come to us and stay
Silently (8) turns my	'Cause I don't (22) where you've been
(9) to stone	And I don't care what you've seen
Patiently correction leaves us all alone	We're the ones who still believe
And sometimes I'm a travel man	And we're looking for a page
But tonight this engine's failing	In that lifeless book of hope
I still hear the children playing	Where a (23) (24) (25)
Kick the can, kick the can	you cope
Skip and blackjack	With the Bushes and the bombs
Steal a car and ring a round-rosey	Tranquilize
Rock and roll, candyland, boodeyman
