## Fill in the gaps

## Tranquilize by The Killers & Lou Reed

I ime it tells living in my home town	Acid rain, when Abel looked up at Cain
Wedding bells, they (1) easy	We began the weeping and wailing
Live it down, baby don't talk that much	A (7) high from pestilence pills and pride
Baby knows, but baby don't tease me	It's a shame, we could have gone sailing
In the park we could go walking	But heaven knows
Drowned in the dark	Heaven knows everything
Or we could go sailing on the sea	Tranquilize
Always here, always on time	I got this feeling that they're gonna break down the door
Close call, was it love or was it (2) easy?	I got this feeling that they're gonna come back for more
Money talks when people need shoes and socks	See I was thinking that I lost my mind
Steady boys, I'm (3) she needs r	But it's been getting to me all this time
I was just sipping on (4) swee	And it don't stop dragging me down
I don't need political process	Silently (8) turns my world to stor
I got this feeling that they're gonna break down the do	Patiently (9) leaves us all alone
I got this feeling that they're gonna come back for mor	And sometimes I'm a travel man
See I was thinking that I lost my mind	But tonight this engine's failing
But it's been getting to me all this time	I still hear the children playing
And it don"t (5) dragging me down	Dead beat dancers, come to us and stay
Silently reflection turns my world to stone	'Cause I don't care (10) you've been
Patiently correction leaves us all alone	And I don't care what you've seen
And sometimes I'm a (6) man	We're the ones who still believe
But tonight this engine's failing	And we're looking for a page
I still hear the children playing	In that lifeless book of hope
Kick the can, kick the can	Where a dream might help you cope
Skip and blackjack	With the Bushes and the bombs
Steal a car and ring a round-rosey	Tranquilize
Rock and roll, candyland, boogeyman	
Run away and give me your sneakers	

- 1. begin
