Well I woke up Christmas morning	"Baby will you (7) me for just or	ne dance?
And what did I see?	Infatuation, the things you say	
I saw a lovely señorita looking back at me	I got scared and I left that night	
Named Guadalupe	'Cause we are living' in a difficult time	
With big brown eyes	We've been (8) down a di	fficult line
Boy (1) did you do this time?	Put your feet up baby, it's Christmas time	
Made my excuses	(Cumpleaños feliz)	
And a (2) for the bedroom door	Happy Birthday Guadalupe	
She was begging' and a-pleading, screaming	Deck the halls with rosaries	
("Por favor, mi cumpleaños")	Wish upon a Christmas tree	
Stay with me	Silent night (9) come to me	
Baby it's cold outside	Bearing gifts from my	
We are living' in a (3) time	My Mexican angel	
We've been walking' (4) a difficult line	At night I wake up cold and lonely	
Put your feet up baby, it's Christmas time	Busting at the seams	
(Cumpleaños feliz)	She haunts the early morning hours	
Happy (5) Guadalupe	Of December dreams	
(Our (6) will come)	My Guadalupe, with big brown eyes	
(Oh oh oh we both hold on)	I wanna break the spell tonight	
She gave me coffee and tortillas	'Cause we are living' in a difficult time	
To console my head	We've been walking' down a difficult line	
Then laid the slippers on my feet	Put your feet up baby, it's Christmas time	
Before she made our bed	(Cumpleaños feliz)	
And blew the candles from her favourite cake	Happy Birthday Guadalupe	
And we kissed beneath the mistletoe	Happy Birthday Guadalupe	
I pulled her body close to mine		
And I had just one chance		
I whisper
