

Fill in the gaps

Remember Me by Daley & Jessie J

So you confess	Now when you're all alone at night
To all the ways you've been seen	That's when you, remember me
Now you (1) regret, yeah	I'm the one that had (you, baby)
But that don't mean (****) to me, no, no	I'm the one who (8) you, baby, remember me
So empty what you can say, take a minute please	I'm the one that had (you, baby)
It's too little, too late to make it up to me	I'm the one who loved you, baby
I hope that those tears (2) (3)	You know you're gonna miss me
memory	Now when you all alone at night
Now (4) another makes you cry	That's when you, remember me
That's when you, remember me	I'm the one that had (you, baby)
I'm the one that had (you, baby)	I'm the one who loved you, loved you, remember me
I'm the one who loved you, baby, remember me	I'm the one who loved you, loved you, remember me
I'm the one that had (you, baby)	Remember me (I'm the one who had you)
I'm the one who loved you, baby	Remember me, yeah
I guess it wasn't enough	(I'm the one who loved you)
To give you everything, no, no, and	Remember me
I guess I should have known better	I'm the one (I'm the one who loved you)
How could I be so naive	I'm the one who loved you
I don't know, so empty (5) you can say	
Take a minute, please	
It's too little, too (6) to make it up to me	
I hope that (7) tears refresh your memory, yeah
