

Fill in the gaps

When minutes become hours	But it all doesnt (15) to (16)
When (1) become years	anymore
And I (2) know where you are	When you (17) me on that street
Color (3) so dull without you	I kissed you back
Have we lost our minds?	You (18) me in your arms, I held you in mine
What (4) we done?	You picked me up to lay me down
But it all doesnt (5) to matter anymore	When I (19) into your eyes
When you (6) me on (7) street	I can (20) you cry
I (8) you back	For a (21) bit more of you and I
You (9) me in (10) arms, I held you in	I'm drenched in (22) love
mine	I'm no longer able to (23) it back
You picked me up to lay me down	When you kissed me on that street
When I look into your eyes	I kissed you back
I can hear you cry	You held me in your arms, I held you in mine
For a little bit more of you and I	You (24) me up to lay me down
I'm (11) in your love	When I look into your eyes
I'm no (12) able to hold it back	I can hear you cry
Is it too (13) to ask for love?	For a little bit more of you and I
Is it wrong to feel right?	I'm (25) in (26) love
When the world is winding down	I'm no longer able to (27) it back
Thoughts of you linger around	
Have we (14) our minds?	
What have we done?
