

Fill in the gaps

Wrapped in a blanket of hope	In a (12) my flower
Asleep in the bed of dreams	Somewhere in a desert haze
My step into eternity	I know one day you'll amaze me
Was not (1) it might have been	2 (13) in the hands of time
Or not at all	Your love bleeds into mine
For who knows (2) way the wind is gonna blow	l'll be (14) you forever
I'm waiting for (3) gentle whisper	And give you everything I am
Distant child, my flower	Want you to understand
Are you blowing in the breeze?	It's you and I together
Can you feel me?	Distant child, my flower
As I breathe life (4) you	Are you blowing in the breeze?
In a while my flower	Can you feel me?
Somewhere in a (5) haze	As I (15) life into you
I know one day you'll amaze me	In a (16) my flower
An act of balancing, imagining	Somewhere in a (17) haze
The moment I can be	I (18) one day you'll (19) me
Looking (6) (7) your eyes	(Distant child, my flower)
For now a mystery	(Are you (20) in the breeze?)
Or not at all	(Can you (21) me?)
For who knows which way the wind is (8) blow	(As I breathe life into you)
I'm (9) for your gentle whisper	(In a while my flower)
Distant child, my flower	(Somewhere in a desert haze)
Are you (10) in the breeze?	I know one day (22) (23)
Can you feel me?	me
As I breathe life (11) you
