### He Didn't Have To Be by Brad Paisley

When a (1) mom goes out on a date with	I met the (9) that's now my wife
Somebody new	About (10) years ago
It always winds up feeling more like	We had the (11) marriage but
A job interview	We (12) something more
My (2) used to wonder	Now here I (13) (14)
If she'd ever (3) someone	by our family and friends
Who wouldn't find out about me and then	Crowded 'round the nursery window
Turn around and run	As they bring the baby in
I met the man I call my dad	And now, all of a sudden
When I was five years old	(Oh) it (15) so (16) to me
He (4) my mom out to a movie	How we've (17) from something's
And for once I got to go	Missing to a family
A few (5) later, I remember	Looking (18) the glass, I think
Lying there in bed	About the man that's standing next to me
I overheard him pop the question	And I (19) I'm at (20) (21)
And I prayed (6) she'd say yes	the dad
And then, all of a sudden	That he didn't (22) to be
(Oh) it seemed so strange to me	And (23) back all I can say about
How we went from something's	All the things he did for me
Missing to a family	Is I (24) I'm at least
Looking back, all I can say about	Half the dad that he didn't have to be
All the things he did for me	Because he didn't have to be
Is I (7) I'm at least	You (25) he didn't have to be
Half the dad (8) he didn't have to be
