By the moon and the stars in the sky	You won't have to ask if I (5) care
And I swear	'Cause as the time turns the page
Like the shadow that's by your side	My love won't age at all
I see the questions in your eyes	And I swear (I swear)
I know what's weighing on your mind	By the moon and the (6) in the sky
You can be sure I know my heart	I'll be there (I'll be there)
'Cause I'll stand beside you through the years	I swear
You'll only cry those happy tears	Like the shadow that's by your side
And though I make mistakes	I'll be there (I'll be there)
I'll never break your heart	For (7) or worse, till (8) do us
And I swear	part
By the moon and the stars in the sky	I'll love you with every beat of my heart
