

You drink more (1) you used to
Fell in love, how could you
Trust (2) heart like only fools do
Go on, let it bleed
You smoked ten, now it's twenty
Bet you wish you never met me
To stick around, you must be crazy
Go on, let it bleed
I told you never to get used to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
You shout louder than you used to
And you hold on (3) in the bedroom
Stick around like (4) change soon
Go on, let it bleed
As you stand (5) trying to save me
Use (6) head and, babe, believe me
