## What About Now by Westlife

What if our love

## Fill in the gaps

Shadows fill an empty heart	Never went away
As love is fading	What if it's lost behind
From all the things that we are	Words we could never find
But are not saying	Baby, before it's too late
Can we see beyond the scars	What about now
And make it to the dawn	Now that we're here
Change the colours of the sky	Now that we've come this far
And open up to	Just hold on
The ways you made me feel alive	There is nothing to fear
The ways I loved you	For I am right beside you, for
For all the things that never died	All my (5) I am yours
To make it (1) the night, love will find you	What about now
What about now	What about today
What about today	What if you're making me
What if you're making me	All that I was meant to be
All that I was meant to be	What if our love
What if our love	Never (6) away
What if our love  Never (2) away	Never (6) away What if it's (7) behind
Never (2) away	What if it's (7) behind
Never (2) away What if it's lost behind	What if it's (7) behind Words we could never find
Never (2) away What if it's lost behind Words we could (3) find	What if it's (7) behind Words we could never find What about now
Never (2) away What if it's lost behind Words we could (3) find Baby, before it's too late	What if it's (7) behind Words we could never find What about now What about today
Never (2) away What if it's lost behind Words we could (3) find Baby, before it's too late What about now	What if it's (7) behind Words we could never find What about now What about today What if you're making me
