

## Fill in the gaps

Shadows fill an (1) heart	Never went away
As love is fading	What if it's (16) behind
From all the things that we are	Words we could never find
But are not saying	Baby, (17) it's too late
Can we see (2) the scars	What about now
And (3) it to the dawn	Now (18) we're here
Change the colours of the sky	Now that we've come this far
And open up to	Just hold on
The ways you made me feel alive	There is nothing to fear
The (4) I loved you	For I am right (19) you, fo
For all the things that (5) died	All my life I am yours
To (6) it through the night, love will find you	What about now
What about now	What about today
What (7) today	What if you're (20) me
What if you're making me	All that I was meant to be
All (8) I was meant to be	What if our love
What if our love	Never went away
Never went away	What if it's lost behind
What if it's (9) behind	Words we could never find
Words we could never find	What about now
Baby, before it's too late	What (21) today
What about now	What if you're (22) me
The sun is (10) in (11) eyes	All that I was meant to be
To (12) a new day	What if our love
This (13) heart can still survive	Never went away
With a touch of (14) grace	What if it's lost behind
Shadows fade into the light	Words we could never find
I am by your side where love will find you	Baby, before it's too late
What about now	Baby, (23) it's too late
What about today	Baby, (24) it's too late
What if you're (15) me	What about now
All that I was meant to be	
What if our love
