

Maybe I'll understand why you had to leave

Fill in the gaps

I (1) to my sister in Memphis	I know that you've done (13) changin'
And I (2) her you were movin' to town	And I know there's no changin' your mind
Here's her number	And yes I know
She said she'd be glad to show you around	We've (14) (15) (16)
I left a map on your (3) seat	a thousand times
Just in (4) you lose (5) way	And I'm sorry for still holdin' on
But don't worry, once you reach Saddlesong	I'll try to let go and I'll try to be strong
It's all interstate	And I (17) you the best
I know you (6) to go	And I wish you nothing less
But (7) you do I want you to know	Than every (18) you've ever dreamed of
That I wish you the best	And I hope (19) you (20) (21)
And I (8) you nothing less	along the way
Than every thing you've (9) (10)	But most of all
of	I wish you'd stay
And I (11) (12) you find love along the	Yes, everything you've ever dreamed of
way	And I hope that you'll find love (22) the way
But most of all	But most of all
I wish you'd stay	I wish you'd stay
I figure right about sundown	Yeah, I wish you'd stay
You'll be in West Tennessee	
And by then
