I talked to my sister in Memphis	I know that you've (7) some changin'
And I (1) her you (2) movin' to town	And I know there's no changin' your mind
Here's her number	And yes I know
She said she'd be glad to show you around	We've been through this a thousand times
I left a map on (3) front seat	And I'm sorry for still holdin' on
Just in case you lose your way	I'll try to let go and I'll try to be strong
But don't worry, once you reach Saddlesong	And I (8) you the best
It's all interstate	And I wish you nothing less
I know you need to go	Than (9) thing you've ever dreamed of
But before you do I want you to know	And I hope that you find love along the way
That I wish you the best	But most of all
And I wish you nothing less	I wish you'd stay
Than every thing you've ever dreamed of	Yes, everything you've ever dreamed of
And I hope that you find (4) along the way	And I hope that you'll find love along the way
But most of all	But most of all
I wish you'd stay	I wish you'd stay
I figure right (5) sundown	Yeah, I wish you'd stay
You'll be in West Tennessee	
And by then	
Maybe I'll (6) why you had to leave
