

## Fill in the gaps

Mississippi in the middle of a dry spell	A new (18) that'll (19) her
Jimmy (1) on the Victrola up high	to (20) knees
Mama's dancing with baby on her shoulder	Black velvet if you please
The sun is (2) like (3)	Every word of every song that he (21) was for you
in the sky	In a flash he was gone
The boy could (4) knew how to (5)	It happened so soon
everything	What could you do
Always (6) more	Black velvet and that little boy smile
He'd leave you longing for	Black velvet in that (22) southern style
Black velvet and (7) little boy smile	A new (23) that'll bring her to your knees
Black (8) (9) that slow southern	Black velvet
style	If you please
A new religion that'll bring her to (10) knees	Black (24) and that little boy smile
Black (11) if you please	Black velvet in that slow southern style
Up in Memphis the music's (12) a heat wave	A new religion that'll (25) her to your knees
White lightning (13) to drive you wild	Black velvet
Mama's baby is in the heart of every school girl	If you please
Love me tender leaves them (14) in the aisle	If you please
The way he moved, it was a sin	If you please
So sweet and true	If you please
Always wanting more	
He'd (15) you (16) for	
Black velvet and that (17) boy smile	
Black velvet and that slow southern style
