Where Is The Love? by Black Eyed Peas

What's wrong with the world mama?	The truth is kept secret
People living like aint got no mamas	Swept under the rug
I think the whole worlds addicted to the drama	If you never know truth
Only attracted to the things that bring you trauma	Then you never know love
Overseas yeah we tryin to stop terrorism	Where's the love y'all?(I don't know)
But we still got (1) here livin	Where's the truth y'all?(I don't know)
In the USA the big CIA the Bloodz and the Crips and the KKK	Where's the (7) y'all?
But if you only have love for your own race	People killing people dying
Then you only leave space to discriminate	Children hurtin you hear them crying
And to discriminate only generates hate	Can practice what you preach
And if you (2) you're bound to get irate	Would you turn the other cheek?
Yeah madness is (3) you demonstrate	Father father help us
And that's exactly how anger works and operates	Send some guidance from above
You (4) have love just to set it straight	Cause people got me got me questioning
Take control of your mind and meditate	Where is the love?(where is the lovex3)(the lovex2)
Let your soul gravitate to the love y'all	I feel the weight of the (8) on my shoulder
People killing people dying	As I'm getting older y'all people get colder
Children hurtin you hear them crying	Most of us only care about money makin
Can you practice what you preach	Selfishness got us followin the wrong direction
Would you turn the other cheek?	Wrong information always shown by the media
Father Father help us	Negative images is the main criteria
Send some guidance from above	Infecting their young minds faster than bacteria
Cause people got me got me questioning	Kids wanna act like what the see in the cinema
Where is the love?(where is the lovex3)(the love2x)	Whatever happened to the values of humanity
It just ain't the same all ways (5) changed	Whatever happened to the fairness and equality
New days are strange is the world the insane?	Instead of spreading love, we're spreading anomosity
If love and peace so strong	Lack of understanding, leading us away from unity
Why are there pieces of love that don't belong	That's the reason why sometimes I'm feeling under
Nations dropping bombs	That's the (9) why sometimes I'm feeling
Chemical gases filling lungs of little ones	down
With ongoing suffering	It's no wonder why sometimes I'm feeling under
As the youth die young	I gotta keep my faith alive, until love is found
So ask (6) is the loving really strong?	People killing people dying
So I can ask myself really what is going wrong	Children hurtin you hear them crying
With this world that we living in	Can you practice what you preach
People keep on giving in	Would you turn the other cheek?
Makin wrong decisions	Father Father help us
Only visions of them livin and	Send some guidance from above
Not respecting each other	Cause people got me got me questioning
Deny thy brother	Where is the love?(fade)
