Where Is The Love? by Black Eyed Peas

What's wrong with the world mama?		The truth is kept secret	
People living like aint got no mamas		Swept under the rug	
think the whole worlds addicted to the drama		If you never (8) truth	
Only attracted to the things that bring you trauma		Then you never know love	
Overseas yeah we tryin to stop terrorism		Where's the love y'all?(I don't know)	
But we still got terrorists here livin		Where's the truth y'all?(I don't know)	
n the USA the big CIA the Bloodz and the (1)		Where's the love y'all?	
and the KKK		People killing (9) dying	
But if you only have love for your own race		Children hurtin you hear them crying	
Then you only (2) space to discriminate		Can practice what you preach	
And to discriminate only generates hate		Would you turn the other cheek?	
And if you hatin you're bound to get irate		Father father help us	
Yeah madness is what you demonstrate		Send some guidance from above	
And that's exactly how anger works and operates		Cause people got me got me questioning	
You (3) have love (4)	to set it straight	Where is the love?(where is the lovex3)(the lovex2))
ake control of your mind and meditate		I feel the weight of the world on my shoulder	
Let your soul gravitate to the love y'all		As I'm getting older y'all people get colder	
People killing people dying		Most of us only care about money makin	
Children hurtin you hear them (5)		Selfishness got us followin the wrong direction	
Can you practice what you preach		Wrong information always shown by the media	
Nould you turn the other cheek?		Negative images is the main criteria	
Father Father (6) help us		Infecting their young minds faster than bacteria	
Send some guidance from above		Kids wanna act like what the see in the cinema	
Cause people got me got me questioning		Whatever happened to the values of humanity	
Where is the love?(where is the lovex3)(the love2x)		Whatever happened to the fairness and equality	
t just ain't the same all ways have changed		Instead of spreading love, we're spreading anomosity	
New days are strange is the world the insane?		Lack of understanding, leading us away from unity	
f love and peace so strong		That's the reason why sometimes I'm feeling under	
Why are there pieces of love that don't belong		That's the reason why sometimes I'm feeling down	
Nations dropping bombs		It's no wonder why (10)	I'm feeling
Chemical gases filling lungs of little ones		under	
With (7) suffering		I gotta keep my faith alive, until love is found	
As the youth die young		People killing people dying	
So ask yourself is the loving really strong?		Children hurtin you hear them crying	
So I can ask myself really what is going wrong		Can you practice what you preach	
With this world that we living in		Would you turn the other cheek?	
People keep on giving in		Father Father help us	
Makin wrong decisions		Send some guidance from above	
Only visions of them livin and		Cause people got me got me questioning	
Not respecting each other		Where is the love?(fade)
