

Fill in the gaps

The World Moves On (Studio) by Jens Lekman

(And (1)_____ song is called)

(The world (2)_____ on)

The thermometer ran out of numbers

When it reached 50 degrees

I just lay down on the floor

With a bag of frozen peas

We saw plumes of (3)_____ rising

In the distance from our balcony

I poured a glass of wine

Sucked the juice out of a kiwi

Catherine turned on the TV

They (4)_____ (5)_____ after acres

Of (6)_____ nothing

And then Stevie called and said

Are you watching (7)_____ I'm watching?

I (8)_____ I'm watching what you're watching

But what is it I'm watching?

The night before I had been bored

And my legs had been restless

It was my birthday

I'd already opened up my presents

At the social club, I met some friends

Who were (9)_____ with this girl

One by one (10)_____ dropped off

Till it was (11)_____ me and her

We made out in every bar in town

While the state of Victoria

Burned down to the ground

And the sun rose over the city

Fill in the gaps

The wind swept (12)_____ the valley

And you don't get over a broken heart

You just learn to carry it gracefully

The Edinburgh Gardens offered

Some (13)_____ of shade

I would pick up (14)_____ beers

And head down there late

Watch the possums and listen

To their Growling banter

There was one I (15)_____ especially

I named her Sam as in Samantha

I offered a slice of (16)_____ from my hand

She would (17)_____ it, frown

And then lumber (18)_____ to the trash can

I was going uphill on my Malvern Star

When I was passed by a scooter

You got a dollar or a cigarette?

Hey, I'm talking to you, poofter

What I should have (19)_____ was nothing

What I said was "get lost"

Next time I'm upside-down with my bike in the dust

Spitting dirt all the way home

Cursing the (20)_____ ground that I was chewing on

And the sun rose over the city

The wind swept through the valley

And you don't get over a (21)_____ heart

You just learn to carry it gracefully

And that's what it's like

When you've had your heart broken

The world (22)_____ shrugs its shoulders

Fill in the gaps

And gets going

It just moves on in all its sadness and glory

Over dinner with a friend

I (23)_____ her my story

And as I finally put the book

Back on the shelf

She says

Maybe it's time you take a look at yourself

No one's born an *****

It takes a lot of hard work

But God knows I've worked my ass off

To be a jerk

So many hands I've held

While (24)_____ why I felt nothing

And why, when I let go of (25)_____ hand

I always start to feel something

And (26)_____ a bottle smashed against my head

She'd say

I wish you just would've cheated on me instead

And (27)_____ without loving

Is always the worst crime

I (28)_____ all the signs and signals

'Cause now I've been on both sides

The way you choose your words

The limpness of your hand

I almost died when you introduced me as a friend

How can you call me a friend?

If you don't love me

Then please have the dignity to tell me

But I never said any of that

Fill in the gaps

I just shook that hand

And looked down at the doormat

The sun rose over the city

The wind (29)_____ through the valley

And you don't get over a broken heart

You (30)_____ learn to carry it gracefully
