The World Moves On (Studio) by Jens Lekman

(And this song is called)
(The world moves on)
The thermometer ran out of numbers
When it reached 50 degrees
I just lay down on the floor
With a bag of (1) peas
We saw plumes of smoke rising
In the distance from our balcony
I poured a glass of wine
Sucked the (2) out of a kiwi
Catherine turned on the TV
They showed acres after acres
Of absolutely nothing
And then Stevie called and said
Are you watching what I'm watching?
I said I'm watching what you're watching
But what is it I'm watching?
The night before I had been bored
And my legs had been restless
It was my birthday
I'd already (3) up my presents
At the social club, I met some friends
Who were friends with this girl
One by one they dropped off
Till it was just me and her
We made out in every bar in town
While the state of Victoria
Burned (4) to the ground
And the sun rose over the city

Fill in the gaps

And you don't get over a (6) heart
You (7) learn to carry it gracefully
The Edinburgh (8) offered
Some kind of shade
I would pick up some beers
And head down there late
Watch the (9) and listen
To their (10) banter
There was one I liked especially
I named her Sam as in Samantha
I offered a slice of (11) from my hand
She would sniff it, frown
And then lumber (12) to the trash can
I was going (13) on my Malvern Star
When I was passed by a scooter
You got a dollar or a cigarette?
Hey, I'm talking to you, poofter
What I should have said was nothing
What I said was "get lost"
Next time I'm upside-down with my (14) in the dust
Spitting dirt all the way home
Cursing the very ground that I was chewing on
And the sun rose over the city
The wind swept through the valley
And you don't get (15) a broken heart
You (16) learn to carry it gracefully
And that's what it's like
When you've had your heart broken

The (17)_____ just shrugs its shoulders

And gets going

Fill in the gaps

It (18)_____ moves on in all its sadness and glory Over dinner with a friend I (19)_____ her my story And as I finally put the book Back on the shelf She says Maybe it's (20)_____ you (21)____ a look at yourself No one's born an ****** It takes a lot of hard work But God knows I've worked my ass off To be a jerk So many hands I've held While wondering why I felt nothing And why, when I let go of that hand I always start to feel something And (22)_____ a (23)____ smashed against my head She'd say I wish you just would've cheated on me instead And loving without loving Is always the worst crime I know all the signs and signals 'Cause now I've been on both sides The way you choose your words The limpness of your hand I almost died when you introduced me as a friend How can you call me a friend? If you don't love me Then please have the dignity to tell me

But I never said any of that

And	looked	down	at the	doormat
Allu	IOOKEU	uowii	at the	uuuiiiai

The sun (25)	(26)	_ the city		
The wind swept (27)		the valley		
And you don't get over a broken heart				
You just learn to (28)_	it g	racefully
