## 2012 (It Ain't The End) by Jay Sean & Nicki Minaj

(Oh)	Have a drink with me
Jay Sean	And let's make tonight go down in history
2-0-1-2 (Nicki Minaj)	In history, yeah
Yeah	Let's play make believe
Yeah	It's the last 24 hours and this whole world is ours
It's alright (oh) it's alright	Eternally, eternally (hey)
You know what they say	Bottles poppin' till we can't stand (can't stand)
Life ain't always easy and everyday	We keep it (5) till 6 am (6 am)
We're survivors	New York to London (6) to Japan
So forget the day	Turn it up, turn it up, mash it up
It's all about tonight	We're gonna party like
Act a fool and start a riot, a riot, be rebel	Party like, like it's the end of the world
Bottles poppin' till we can't stand	We're gonna party like, (7) it's 2012 (like it's 2012
We keep it rocking till 6 am	You know that it doesn't matter
New York to London over to Japan	As long as we got each other
Turn it up, turn it up, mash it up	Turn it up, turn it up, (8) it up
We gonna party like	It ain't the end of the world
Party like, like it's the end of the world	(Oh)
We're gonna party like, like it's 2012	Gonna live like it's the end of the world
You know that it doesn't matter	Gonna party like (we gonna live like)
As long as we got (1) other	(Oh)
Turn it up, turn it up, mash it up	Turn it up, turn it up, mash it up
It ain't the end of the world	It ain't the end of the world
(Oh)	No
Gonna (2) like it's the end of the world	No, I'm not gonna follow
Gonna party like	Anything that (9) say anymore
(Oh)	And it's never too late to start living
Turn it up, turn it up, mash it up	So let's start it with right here and right now
It ain't the end of the world	Party like, like it's the end of the world
Simile's, metaphors and we pop *****	We're gonna (10) like, like it's 2012
Sick flow inundated with the doc bills	You know that it doesn't matter
Work hard, now we know how to top bills	As long as we got each other
In the middle of the street doing cartwheels	Turn it up, turn it up, mash it up
Lot of them tryna do it but it's not real	It ain't the end of the world
Wasn't a rapper then I coulda got a pop deal	(Oh)
White clothes in a hot pink hot wheels	Gonna live like it's the end of the world
Lot of bottles and a lot of (3) cocktails	Gonna party like
Days of our lives	(Oh)
You wink, it goes by	Turn it up, turn it up, mash it up
So we'll just get it with no Edison	It ain't the end of the world
Anything goes so no (4) for closed minds	The world, because the world keeps spinning
And free my lil weezy	The world keeps spinning around
And let's just get right
