I cant stand another night	When im out on the road
Stand another night without you	Roking them shows
Since you've been away	Opening monical
Everythings dont seem like they use	to be Making you go
Between you & me	What a ? you search
Cause im missing you	And glamorous
Im missing you, love	But i miss you church
Im missing you	Yeah i miss you church
Im (1) you, love	I spent all my time
Im missing you, love	With you & me
